## KEY WORKER INFORMATION

Dear Parents and Carers,

Thank you for your patience. We are now in a position to respond to all people who have requested a place for their children.

**This afternoon we have been through the list, and I can confirm that every person who has written an email requesting a place does have a place for his or her child.**

*If you need a place for your child and have not yet emailed school, please do so as soon as you can. The email will need to inform us of your child's name, year group and whether they will be part time or full time.*

We look forward to seeing you all next week. Here are our expectations for the onsite education over this next phase.

1. All children will need to wear their school uniform. This is important as it helps our children to understand they are still at school, and whilst the learning may be different, the same expectations will apply.
2. Can your children bring with them their usual school equipment: wellies, water bottles, reading books, PE kits etc...
3. Enter the school through the main entrance (not from the playground).

Please note: In the future, we might be asked to support other local schools with educational provision if they are unable to stay open.

If you wish to book a school lunch and a place at Breakfast Club, please use ParentPay in the usual way. Breakfast Club is open to all Key Workers' children and there will be a registration form that will need to be completed, if you are using this service for the first time.

Thank you again for your support. We will see you next week.

Best wishes,

Mrs Claire Hill
