It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 20/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self- rescue even if they do not fully meet the first two requirements of the NC programme of study	59%
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	59%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	42%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	59%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

<p>We are promoting sport by improving the equipment and clubs available at break and lunch times. PE lead has entered and organised multiple sporting events for children to take part in.</p> <p>We are committed to ensuring sporting opportunities are available- and inclusive- to all children by funding specialist after school clubs.</p> <p>We are committed to improving the play space for our youngest children. They needed space for their physical development.</p>	<p>After School Clubs and competitions were held on the school site</p> <p>A Football club and Netball club was continued this year.</p> <p>Forever Sports ran dodgeball, basketball during the school day at lunch and after school which raised the profile of sport at our school.</p> <p>Forever Sport have mentored children during school hours in hope to inspire them to make good choices and cope with challenges with greater resilience whilst giving them a positive role model.</p>	<p>£250 South Glos Subscription</p> <p>£6088</p>	<p>Staff have noticed the increased enthusiasm of sport by the children. They have noted that children often mention that they are excited to see the Forever Sport coaches after school.</p> <p>Children have voiced that they love the new equipment and lunchtimes are more fun. Children have also voiced that they now have more equipment at home as they enjoyed playing with it so much.</p> <p>The children have been inspired by our specialist coaches and have been a positive influence on their attitude towards school, their learning and how they cope with tricky situations.</p> <p>Forever sport have supported children during mentoring. This has proved valuable to these children.</p> <p>The children were enthused by the presence of Forever Sports. The coaches are very positive and have motivated the children. They have built positive relationship with the classes they've worked with and are excellent role models.</p>	<p>Consider improving the environment for gross motor skills as older equipment becomes obsolete. Equipment is not maintained well by children and is often lost or broken. This will need to be a focus next year to ensure that equipment lasts and is valued.</p> <p>Develop our opportunities for SEND children by offering a SEND sport club after school. This will be a smaller club and will focus on being fun, inclusive and motivating.</p> <p>We aim to develop swimming opportunities to ensure that all children are equipped with the necessary skills when they leave school. We will do this by introducing Year 4 swimming, along with our current Year 5 and 6 swimming lessons.</p> <p>Forever Sport will be covering PPA. Therefore, children will benefit from 1 PE lesson a week with specialised coaches. The skills have been carefully mapped out to ensure that each child takes part in a wide range of sports.</p>

<p>We have focused on raising the profile of sport at Raysfield and making it inclusive to all of our children. This was initially started by conducting pupil voice to find out what they wanted.</p> <p>We have also focused on improving the subject knowledge of our staff members. The audit showed that staff needed more support in teaching gymnastics so we have invested in a CPD gymnastic course.</p> <p>We have also provided staff with teacher mentoring through Forever Sport whereby staff are showed how to teach a specific subject during a PE lesson.</p> <p>We have refined our PE skills and mapped out the skill focus for each term to ensure that there is progression throughout the school, alongside Forever Sport to ensure that children are benefiting from a wide variety of sports.</p>	<p>We intend on offering more sporting competitions and ensure that all children have equal opportunities.</p> <p>We have organised staff CPD on gymnastics and offered Forever Sport Teacher Mentoring</p> <p>We have introduced a new PE scheme that has more updated sports and activities. The new scheme allows staff to have a clear understanding of the learning focus along with clear ideas on how to support and challenge pupils during PE lessons.</p> <p>PE leads have continued to make themselves available to talk through lessons with staff and support colleagues and ensures that all equipment for lessons is useable, up to date and available.</p>	£300 (supply costs)	<p>Children are enjoying taking part in a variety of internal and external sporting opportunities. Parents have messaged to thank the school for providing these.</p> <p>Staff are becoming more confident teaching a variety of sports and are have noted that the Forever Sport coaches have taught them a lot of skill and drills that they will now use. They have also asked if they can work with them again on another sport as they are so knowledgeable. This in turn makes the lessons more purposeful the children are enjoying the PE lessons more.</p> <p>Staff voice: "I really benefited from the netball coaches knowledge and format of the lesson. We now use that format in our other PE lessons as the children are always moving and engaged with the lesson."</p> <p>Staff are now more aware of the</p>	<p>This year it is important to monitor the quality of the PE lessons and ensure all children are involved and being both supported and challenged. We will work with staff to ensure that that refined skill timetable works and identify any potential problems.</p> <p>This year, we ensure that the skills document is updated and reflects our new PE scheme.</p> <p>To continue to use more money to ensure most children are able to swim 25m and have some swim safety knowledge by the time they leave school. Therefore, we will be introducing Year 4 swimming lessons and continuing with Year 5 and 6 lessons.</p>

<p>It is important at Raysfield that children have opportunities to build upon team work, communication and resilience through competitive games. This is built in to the new PE scheme, which always showcases a social learning objectives.</p> <p>We have focused on increasing competitions this year.</p> <p>We have built relationships with local schools to implement local matches.</p> <p>We ensured that there was a good balance of fun and competitive activities on sports day. Some stations were awarded dojo points on results and other were awarded a sticker to participation.</p>	<p>The school took part in Y5/ 6 football tournament.</p> <p>Our Y5/6 children enjoyed a bench ball tournament which was focused on children who are not active.</p> <p>Y3/4/5/6 took part in a swimming gala.</p> <p>YA supports our sports day and have delivered playleader training to the Y5 children.</p> <p>The sports day enabled all children to take part.</p>	£200	<p>The external competition raised awareness of additional sports and the correct rules. This inspired children to play that sport in school. It was also great to celebrate these achievement in school. However, there was very little interest in Y3/4 swimming gala.</p> <p>As many external competitions were at local secondary schools, it improved and aided transitions for our Y6 children.</p> <p>The competitions have built resilience for our children.
