Nursery 2 Term 2 Overview

Outcome	Throughout the term, children will explore different families, cultures, traditions and celebrations. We will encourage children to talk about the people who are important to them, celebrate what makes them unique, and develop an understanding that every family is special.						
Big Question	**What makes families special?**						
By the end of the term children will know that:	• Every family is different and all families are special. • Families care for, love and help one another. • The people who are important to me may be family members, carers or friends. • I belong to a family and am an important part of it. • We should be kind and respectful towards others. • People celebrate different festivals and traditions that are important to their families and communities.
